Il mio amore infinito

Il mio amore per te è infinito

Non c'è limite

Il mio amore per te è indolore

Per te, non ci sono limiti

Il mio amore per te è tremendo

Per noi, non ci sono limiti.

L'unica cosa che ci limita è il nostro amore.

My Endless Love

My love for you is endless

There is no limit

My love for you is painless

For you, there is no limit

My love for you is tremendous

For us, there is no limit.

The only thing that limits us, is our love.

About me: I've noticed more and more in my life that the relationships that I've had that I've given my all. For me, nothing can determine my limit to how I show and express my love for my girlfriend. Everyone expects for love to be perfect, which is far from true. Our love is defined by the boundaries that keep us from loving each other unconditionally. This piece was inspired by Purgatorio, Canto 21.
